Master Electronics awarded Service of Excellence

TORONTO, Canada – May 14th 2015 – At EDS 2015, The EDAC Group of Companies, a global leader in the design and manufacture of interconnect products, awarded Master Electronics with the Distributor “Service of Excellence Award”.

“We are honored to receive this award” stated Riad Nizam VP of Sales Master Electronics. “It is a testament to the commitment put forth by both organizations to service our mutual customers”.

Master Electronics is an authorized EDAC distributor dedicated to stocking and offering a wide array of interconnect products offered by EDAC. Master also supports “made to spec” connectors working in conjunction with EDAC’s fully integrated engineering team. EDAC’s range of products serves countless industries and applications including industrial, telecom, automotive, security and medical devices.

EDAC is proud to recognize Master’s strong contribution to our global distribution results.

"Master Electronics is a great partner for us, and this award was presented in recognition of Master’s outstanding sales performance, excellence in distribution and specifically as a day-to-day partner in excellence". "Master’s broad line stocking support coupled with superior customer service has enabled us to achieve continued growth within our industry." Commented, Bob Sakitkovski, VP Operations & Business Development for EDAC

Master Electronics stocks a wide array of EDAC Group interconnect product.

The award was presented at the EDS 2015 show in Las Vegas to, Niall Flanagan National Sales Manager for Electro Sonic (Canadian Operation) by Bob Sakitkovski of EDAC Group of Companies, along with Shireen Thom Marketing Manager Electro Sonic and Kevin Stark Distribution Manager, EDAC Americas.

About EDAC Group:
