EDAC, to the best of its knowledge and following a thorough inquiry, asserts that its products do not contain any substances that need to be declared under the European Union In-Vitro Diagnostic Medical Device Regulation (EU IVDR) 2017/746. This statement is based on information provided by EDAC's material suppliers. Consequently, EDAC does not make independent representations or warranties, either express or implied, and assumes no liability for the use of this information.

To identify chemicals, present in components and raw materials, EDAC relies on material declarations from its suppliers. Full material declarations for EDAC products can be accessed through the environmental compliance database on EDAC's website. For any issues or further inquiries regarding these declarations, you can contact the EDAC customer service team at support@edac.net.
